

D.O.Ca.Rioja

AMBIENTE

Reserva 2.007

Coupage: 85% Tempranillo
10% Mazuelo
5% Graciano

Alcohol Content: 13.5%.

Selected grapes from the best vintage and tempranillo variety of more than 25 years of age have been used in the production of our wines. The grapes, after being carefully hand picked in the vineyards and in the winery, are treated with the maximum care and are transported immediately in boxes to the winery (max. 16 kg./box). Harvesting is performed manually and wine processes or treatments which could mask the real character of the grapes are avoided. Additionally, the vineyards are selected on a paid basis, when they meet ideal conditions and achieve ideal maturity.

Being the aforementioned a natural process, our wines may precipitate. Therefore it is recommended they be served carefully or preferably be decanted before use.

Tasting note:

Beautifully dense cherry colour, with a rim with tile hints, clear and of good intensity; aromas of red berries, menthol, cocoa and wood undertones. Potent and broad, well-structured, with a fresh fruity aroma. Its bouquet reveals notes of black fruits and sweet spices with subtle hints of fine wood. In the mouth it is fleshy, dominated by complex flavours created by balanced and well combined tannins. Very persistent in the mouth, this wine has an outstanding elegance and finesse. It is a wine of great strength which will continue to develop and improve in the bottle, conditioned by its great personality. A rich finish. This is a wine with a long life.

Food and Wine Matching:

This wine is specially recommended for roasts, stews and fried meats as well as game.

It is also ideal for serving with cheese.

The recommended serving temperature for enjoying this wine is between 16C°-18C°.

“Ambiente is like that, sophisticated, glamorous, avant-garde, just like you know how to be, a wine with a lot of personality. And for this, we toast with you.

Dedicated to LGBT community.”
