

D.O.Q. Priorat

Mistik

“Mistik represents the divinity of love, the joy of sharing, the the thrill of meeting in celebrations with your people, those that love and value you.

In the RESPECT and in the DIVERSITY there is the man’s WEALTH”.

The name Mistik entails in itself the meaning of the area where it is elaborated; Priorat. A mistic, magic and singular area.

Besides, this wine is elaborated at a XVI century cellar for “cartujos” monks and since then, it has been used for the elaboration of wines for all the region.

Our **Mistik** is a red AUTOR wine.

Coupage: 40% selection of old “Grenache” 50 to 70 years old
40% selection of old “Carignan” of 50 to 70 years old
20% Cabernet Sauvignon.

Aged during 12 months in new casks of American oak (Tennessee’s fine grain) and a minimum of 6 months resting in bottle in our bottle holder (17: of constant temperature, 67-75% humidity, silence and darkness). We have gotten a wine with a lot of body, but elegant and subtle at the same time.

Harvested from September 15 on, fermented to 27 degrees and with 3 overcome daily, with those that it was extracted the colours, aromas and other substances that give him complexity, reaching a full body wine but elegant and subtle at the same time. A wine with a lot of personality

It is a wine more black, with more body, more mature and more developed and more persistent, leaving a nice mouth flavour. A wine that is already since November of 2.011 and with a long and upward life.

Tasting Note: High intensity in the cherry shade and complexity in the bouquet, pepper and woods. Very silky in mouth with a great potential.
